

Buggin' Blues

Kitty, Daisy & Lewis

Well, quit bugging me baby
Why won't you leave me alone?
Well, quit bugging me baby
Why won't you leave me alone?

Go and pack your suitcase
Ooh, ride back on home

Well I told you last night baby
Stop on hanging 'round my door
Yeah, I told you last night, baby
Stop on hanging 'round my door

Well it ain't that I don't love you, baby
I don't wanna see you no more

Now I've reconsidered, darling
I want you by my side
Now I've reconsidered, darling

I want you by my side

Now I don't care how I get you baby
I'll get you dead or alive

Now you made me so lonely
You made me weep and moan
Now you made me so lonely, baby
You made me weep and moan

Now I hope that when I call you baby
I hope you're still all alone

Baby, I see you walking
See another man you found
Baby, I see you walking
See another man you found

Well I'd rather see you baby
Sleeping six feet in the ground
