

# Dancing With The Devil

Kitty in a Casket

Find myself in a cold dark room  
Lights come to life so bright, blinding me  
A chamber of mirrors that's where I am,  
Turning round and round and all I see are images of me

Searching through the place, there's no way out  
Trapped with the reflection of the monster in me  
Out of the dark - a breath on my neck  
It's moving, rotating

Dancing with the devil  
Dancing with the devil  
Dancing with the devil in me  
It's only this one scene,  
That's haunting my dreams  
Dancing with the devil in me, you see

Can't trust my eyes, feel his touch on my skin  
Pulls me close - no desire to break loose  
His dark aura is consuming me,  
Sucking up and breathing in my reality

Don't let me go,  
I'll give you my heart  
I will give you my soul,  
Just please don't stop  
I long for your dark touch

Dancing with the devil  
Dancing with the devil  
Dancing with the devil in me  
It's only this one scene,  
That's haunting my dreams  
Dancing with the devil in me, you see

Waking up, finding myself all alone in my bed,  
What a nightmare, I'm dripping with sweat,  
Thinking about it, the dream was bittersweet
