

Monster Highschool Party

Kitty in a Casket

Two more days left till school's out
oh what can I say
we made it through all those years
we got drunk
we had fun
crazy times in the long-run
or finding things like i will miss like, hell

Hey

We won't go home
no no no no no
it's going to be you
it's going to be me
it's a Monster Highschool Party
we're going to crawl around from
dusk till dawn

It's going to be you
it's going to be me
it's a Monster Highschool Party
tell me my baby
would you catch me if i fall?

Two more minutes left till midnight
what can i say
creatures all over the place
Frankenstein sits by my side
I can see Jack Hill as a Mr. Hyde
a song would do just a Robin Hood
this masquerade, I feel so good,
feel so good,
feel so good

Yeah yeah yeah yeah yeah

It's going to be you
it's going to be me
it's a Monster Highschool Party
we're going to crawl around from
dusk till dawn

It's going to be you
it's going to be me
it's a Monster Highschool Party
tell me my baby
would you catch me if i fall?
(catch me if i fall)

Monster
Highschool
Monster
Highschool
Monster
Highschool
Monster Highschool Party

Yeah yeah yeah yeah yeah

It's going to be you
it's going to be me
it's a Monster Highschool Party
we're going to crawl around from
dusk till dawn

It's going to be you
it's going to be me
it's a Monster Highschool Party
tell me my baby
would you catch me if i fall?
(catch me if i fall?)
