

## As Usual

Kitty Wells

The sun comes up and brings the dawn as usual  
When I awake I'll find you're gone as usual  
But I can't find a way to let this crazy heart of mine forget  
I pretend you're still beside me as usual  
Each evening I take a walk as usual I make believe that we still talk as usual  
People always stop and stare I guess they just don't see you there  
Don't they know you'll always be right here as usual  
Today I looked into my mirror as usual I told myself that you're still here as usual  
And as I stood there telling lies the tears began to fill my eyes  
Cause I know I'm only fooling myself as usual  
Cause I know I'm only fooling myself as usual
