

Easily Persuaded

Kitty Wells

Lonely arms don't need temptation
When they yearn constantly
I don't need much sweet persuasion
I'm persuaded easily.

I'm so easily persuaded
When you insist what can I do
I'm so easily persuaded
I can't resist loving you.

Just touch me and I'm yours completely
But it hurts when you tease
So love me so that no other
Will persuade me easily.

I'm so easily persuaded
When you insist what can I do
I'm so easily persuaded
I can't resist loving you...
