

# Everybody Loves Somebody

Kitty Wells

Everybody loves somebody sometime everybody falls in love somehow  
Something in your kiss just told me my sometime is now  
Everybody finds somebody someplace there's no telling where love may appear  
Something in my heart keeps saying my someplace is here  
If I had it in my power I'd arrange for every boy to have your charms  
Then every minute every hour every girl would find what I found in your arms  
Everybody loves somebody sometime and although my dreams were all of you  
Your love made it well worth waiting for someone like you  
If I had it in my power...
