

Heaven Will Be My Home

Kitty Wells

Heaven will be my home some sweet day oh Lord don't let me fall
by the way
Heaven will be my home some sweet day hold on to my hand oh Lord
don't let me stray

So many times the way was so dark so dark I couldn't see my way
But I called on Jesus and he came right away
I'm holding to his precious love for he has made me see
Heaven will be my home...

The burdens here on earth in this old world are sometimes so hard
to bear
But keep your eyes on Jesus cause he is always there
I want to live in heaven with God some sweet day
Heaven will be my home...
Hold to my hand oh Lord don't let me stray
