

Hundred Thousand Times

Kitty Wells

I know I've said I love you a hundred thousand times
They say when you're away from love it makes the love grow stronger
But I don't know for sure if I can't stand it any longer
I want you more and more each day you're always on my mind
I know I've said I love you a hundred thousand times
I watch the flowers drink the rain to help them with their growing
This is how I need your love to help me keep on going
I won't give up the hope I have if someday you'll be mine
I know I've said I love you a hundred thousand times
They say when you're away...
I know I've said I love you a hundred thousand times
