

I Love You More And More Every Day

Kitty Wells

I love you more and more every day

They said our love was just devotion
That time would slowly fade away
But times just deepen my emotion
I love you more and more every day

The day you made those tender vows beside me
My joy was more than words could ever say
And darling, still it grows and grows inside me
I love you more and more every day
I love you more and more every day

The day you made those tender vows beside me
My joy was more than words could ever say
And darling, still it grows and grows inside me
I love you more and more every day
I love you more and more every day
