

# I'm Gonna Change Everything

Kitty Wells

I'm gonna start with the hall take the pictures off the wall and burn 'em

Move the chairs around take the window curtains down and burn 'em

Everything I see reminds me you were here

Yeah, I'm gonna change everything that holds a mem'ry of you, oh yeah

The candle of your set you gave me on the night of my birthday

The records that you bought the hi-fi we loved to play

The decorating man will come and rearrange them

Yeah, I'm gonna change everything that holds a mem'ry of you, oh yeah

Take the carpet off the floor throw it out the door it's filled with tears

Everything I find that bring you to my mind must disappear

Every night I dream I'll dream of someone new

Yeah, I'm gonna change everything that holds a mem'ry of you

Yeah, I'm gonna change everything that holds a mem'ry of you
