

My Loved Ones Are Waiting For Me

Kitty Wells

When I shall cross over the dark rolling tide oh what a glad meeting there'll be
For close by the beautiful pearly white gate my loved ones are waiting for me
Waiting for me they're waiting for me oh what a glad meeting there'll be
Waiting for me they're waiting for me my loved ones are waiting for me

I sometimes get weary and long to go home but all of my work is not done
I'm glad I can labor for Jesus my Lord till sounds of sweet message come home
Waiting for me they're waiting for me...
