

Once

Kitty Wells

I was foolish once and I let my once get away
I was happy once you'd never believe it today
Eyes got careless once all that was you got away
Life has beauty once it's not worth living today
I slipped out once all that was you slipped away
All great regret like the flavor of wine only grows deeper with
the passing of time
Life had meaning once it's cold and empty today
I was foolish once I let my once get away I let my once get away
