One Minute Past Eternity

When will my arms grow cold? When will your kiss grow old? When will I want to be free? Exactly one minute past eternity

When will I make you blue? She can run around on you Throw away the love you've given me Exactly one minute past eternity

Eternity is forever So darling have no fear My love for you will last And last a million million years

When will I say goodbye? Break your heart and make you cry Tell you to forget about me Exactly one minute past eternity

Eternity is forever So darling have no fear My love for you will last And last a million million years

Exactly one minute past eternity
