

## This Is It

Kitty Wells

Well, this is it, that day is here  
That day I knew would come  
When you would leave me, dear

Well, here I sit while teardrops fall  
And wonder why I care  
When you don't care at all

But I'm a fool that way  
From a way back when  
A fool who take you back  
If you'd come back again

But this is it, you're gone  
You're free, you'll find another love  
But this is it for me

Well, this is it, that day is here  
It's no surprising, yet  
I can't hold back the tears

Well, here I sit and try to guess  
How such an empty room's  
So full of loneliness

Well even the clock has stopped  
Somehow I guess you knew  
That time's run out from me  
It's over, it's all through

Yes, this is it, you're gone  
You're free, you'll find another love  
But this is it for me
