## **Today I Started Loving You Again**

## **Kitty Wells**

Today I started loving you again I'm right back where I've real ly always been I got over you just long enough to let my heartaches mend Then today I started loving you again

What a fool I was to think I could get by with only these few m illion tears I've cried I should have known the worst was yet to come And that crying time for me had just begun Cause today I started loving you again...
