

Wait For The Light To Shine

Kitty Wells

(Wait for the light to shine wait for the light to shine)
Pull yourself together and keep waiting for the sign wait for the light to shine
When the road is rocky and you're carrying a load wait for the light to shine
If you find your friendless on that weary lonesome road wait for the light to shine
Wait for the light to shine...

Don't forget your brother as you travel through the land wait for the light to shine
He may be in trouble and may need a helping hand wait for the light to shine
Wait for the light to shine...

If your life is empty and you're on your last go round wait for the light to shine
If you hear the chime bells on the highway you have found wait for the light to shine
Wait for the light to shine...
Wait for the light to shine
