

We Buried Her Beneath the Willows

Kitty Wells

One day an angel came down from heaven
An envoy of our God above
From this great world to choose a token
That all his throng in heaven would love

We buried her beneath the willows
With heads bowed low we walked away
God needed her to sing in heaven
We'll meet again on that bright day

A soft song fell within his hearing
He picked our girl her soul her voice
Today our partner sings in heaven
God praised the angel for his choice

We buried her beneath the willows
With heads bowed low we walked away
God needed her to sing in heaven
We'll meet again on that bright day
