You Don't Hear

Kitty Wells

Lately you spent a lot of time at parties
Your head held high in a world of make believe
You don't hear a word that I tell you
And I can see you no longer care for me

You don't hear a word that I'm sayin'
May as well be talkin' to the ceilin'
I want you to know how much I love you
I talk to you all the time but you don't hear

If you'd stop for a minute and listen
You would save yourself a lot of tears
Your party pals won't love you like I do
I've tried to tell you but you don't hear

You don't hear a word that I'm sayin'
May as well be talkin' to the ceilin'
I want you to know how much I love you
I talk to you all the time but you don't hear
I talk to you all the time but you don't hear
