

You're Driving Me Out Of My Mind

Kitty Wells

You drove me to the church on Sunday to our home on Monday
And I've been here the rest of the time
I know she's somewhere out there by your side
While I'm taken for a ride
You're driving me out of my mind

We've been a one car family ever since we said I do
Trouble is I never see the car or you
I need love so bad if you just can't be found
You're always somewhere with your friends up town

You drove me to the church on Sunday to our home on Monday
And I've been here the rest of the time
I know she's somewhere out there by your side
While I'm taken for a ride
You're driving me out of my mind

I thought having you would bring me happiness
But now I'm living in a house of loneliness
These walls that I've been talking to won't hold me tight
And I'll cry myself to sleep again tonight

You drove me to the church on Sunday to our home on Monday
And I've been here the rest of the time
I know she's somewhere out there by your side
While I'm taken for a ride
You're driving me out of my mind
