I don pay my dues  
I dey faaji today  
Bad belle people  
Dey talk otide  
Which kind cruise  
You won put me today  
Your hate no be hate  
If you hate your way  
You no catch headache  
You dey buy Panadol  
Okay, cos the money long  
Koletan  
No near me I get OCD  
Ma kanra momi I be OGB

I dey live my life  
No compromising  
No be fight  
If you no go gree  
I go move to the side  
Talk to the next person  
E dey try too  
Go easy omo olope  
I'm frozen ni  
Elekose  
If you know me  
You go know say  
My flight is different  
I no need ticket

Aha aha aha  
More money is a mile away  
More money is a mile away

Aha aha aha  
More money is a mile away  
More money is a mile away

Comparison e dey stress me  
So no talking bullshit  
When you near me  
I am just into my own own thing  
And I don't care about your own thing  
You carry first for the class  
You dey mental  
Shebi na person wey carry last  
Go buy car  
At the end of the day  
Na formica  
You go dey do  
For the people  
Wey dey high class

I dey live my life  
No compromising  
No be fight  
If you no go gree  
I go move to the side  
Talk to the next person  
E dey try too  
Go easy omo olope  
I'm frozen ni  
Elekose  
If you know me  
You go know say  
My flight is different  
I no need ticket

Aha aha aha  
More money is a mile away  
More money is a mile away

Aha aha aha  
More money is a mile away  
More money is a mile away
