

# Burn

Kizz Daniel

When I'm fifty sometin sometin  
I'll still call you my baby girl  
And I don't want nobody  
But only you my bae  
When I'm fifty sometin sometin  
I'll still call you my honey pie  
And I don't want nobody  
But only you my bae

You make me burn like fire, fire  
Burn like fire  
You make me shine like diamond, diamond  
Up in the sky  
You make me run like Bolt, Husain Bolt  
When I run back to you  
You make me doubt myself  
You make me doubt

You make me doubt myself  
You make me lose my mind  
Am I enough for you  
Or am I just passing by you  
Girl I got cool when I met you  
I got rich when you moved in  
Girl you brought blessings to me  
Wait

I'm the king, you are the queen queen  
I am the car, and you are the engine  
I am the oooo, you are the oooweee  
I am the nerd, and you are the cool kid  
If you we live again oh girl  
I'll be looking out for you you  
And when I get you, I'll promise you again

When I'm fifty sometin sometin  
I'll still call you my baby girl  
And I don't want nobody  
But only you my bae  
When I'm fifty sometin sometin  
I'll still call you my honey pie  
And I don't want nobody  
But only you my bae

You make me burn like fire, fire  
Burn like fire  
You make me shine like diamond, diamond  
Up in the sky  
You make me run like Bolt, Husain Bolt  
When I run back to you  
You make me doubt myself  
You make me doubt

(Starvin', I'm starvin' for you)  
(And I'm starvin')

I put all the love in your care

I put all the trust in your care  
Girl I put all the money in your care  
I no dey fear

You make me burn like fire, fire  
Burn like fire  
You make me shine like diamond, diamond  
Up in the sky  
You make me run like Bolt, Husain Bolt  
When I run back to you  
You make me doubt myself  
You make me doubt
