

Complicated

Kizz Daniel

(South African chants)

I think we break up since since
But you be no get mind to tell me since since
Cos I been dey reason so many things things
Like You dey fling things , you dey throw things things
Baby I won change my status to complicated

My star thot is so complicated
My property you confiscated
You break up
Well communicated
I don't care about the guys
Wey You fornicated
I still wanna dey with you

Coded
Na you go punch brother man
Noted
Na you go still call soldier man
Most def
This night I dey sleep outside
I go call Bella
I go call Bella
Break up no be war
See I be full alujana

(South African chants)
This night I dey sleep outside
I go call Bella
I go call Bella
Break up no be world ending
I'm a full alijana

(South African chants)
And now I don't know what's going on
