

E'better

Kizz Daniel

I no go mind if you pressure me
I go carry woman tension you too
My car is a EOD
But I go gather money buy Lambo too
My intention

My money and my blood pressure
Dey go together anytime we turn up
Tell the barman say the card lock up
I dey boycott

Na girlfriend we dey find
No be business
Na kwekwe we dey drive
No be tinted
No fine face you get you no get manners
Na big breast you get you no get big yansh
Na Gucci you know you no know good thing

Better make I single
Better make I single again
Better make I give you old school style
Play you osadebe

Better make I single
Better make I single again
Better make I give you old school style
Play you osadebe

Cos I get you

Na my last card I dey spend on you
You have to shake body times two
I'm not the type of guy eey to cum in 5 seconds
Sing for you like styleplus
Me I don buy pomade
If you no go accept o babe
I don't know what the pattern be
All I know is that you won chop money

My money and my blood pressure
Dey go together anytime we turn up
Tell the barman say the card lock up
I dey boycott

Na girlfriend we dey find
No be business
Na kwekwe we dey drive
No be tinted
No fine face you get you no get manners
Na big breast you get you no get big yansh
Na Gucci you know you no know good thing

If I show you babe wey dey my case
Shey you go give me attention (play you osadebe)
Carry woman tension you
Tension you

E better
Play you osadebe o

You already know
I'm falling for you
Already know
I'm coming for you
And I'll be calm and honest with you
Yebo
Ehh
