Mama

Kizz Daniel

Feel the mama
You know I like you so...

Girl I cherish you
I stand for you
I won't lie to you
But I fit lie for you oh oh
In the night
Girl am down for you oh aha

Oya talk to me oh mama
Bo lorun soro mi dayo with you
Baby all I seek I find it in you
All I seek I find it in you

See, if I'm to choose, girl I'll choose you
If I'm to lose, girl I want to lose with you
Them say na taboo but girl I see truth in you

Shey wa korin fun mi, do you really care
Sho le pon mi fun mi baby
Shey mi ni lote oh
To be sincere
I would do almost anything for you
Anything for you

Girl I cherish you
I stand for you
I won't lie to you
But I fit lie for you oh oh
In the night
Girl am down for you oh aha

Oya talk to me oh mama
Bo lorun soro mi dayo with you
Baby all I seek I find it in you
All I seek I find it in you

If I'm to shoot, girl I'll shoot for you
Ain't gon' kill baby just a bullet's wound
Prayed about you last night you came my way
Ha, eh omo baba alayo ni

If you buy infinity would you buy for me oh
When I'm in captivity would you come for me oh
Step into the light and let me see your face
See your face

Girl I cherish you
I stand for you
I won't lie to you
But I fit lie for you oh oh
In the night
Girl am down for you oh aha

Oya talk to me oh mama
Bo lorun soro mi dayo with you

Baby all I seek I find it in you
All I seek I find it in you
All I seek I find it in you
...
