

Pour Me Water

Kizz Daniel

I don't high like this
I don't dey drink anything I see
I never prayed for this
I never knew it could end like this
Girl if you are done with me
Oh baby Biko just set me free
'Cause I don't dey craze like this
For your love I dey lose my senses

Fine boy like me
Fine boy like me
Don't call me cheap
Girl I worked for this
Girl I worked for this
And I promise you
I will find someone
Someone new
Make you no pour me water o
Make you no pour me pour me

(Kole, kole, kole) Put hand for breast and swear
If I do you bad (Kole, kole)
If I do you bad (Kole)
No pour me water

(Kole, kole, kole) Put hand for breast and swear
If I do you bad (Kole, kole)
If I do you bad (Kole)
No pour me water

When I call you no pick
When I text you go read and delete
I no be kotono
I no fit sabi everything you dey think
You dey call me your boyfriend
Why I still dey pay for the sex every night
You don't need to say too much
I already know
You don't love me much

Fine boy like me
Fine boy like me
Don't call me cheap
Girl I worked for this
Girl I worked for this
And I promise you
I will find someone
Someone new
Make you no pour me water o
Make you no pour me, pour me

(Kole, kole, kole) Put hand for breast and swear
If I do you bad (Kole, kole)
If I do you bad (Kole)
No pour me water

(Kole, kole, kole) Put hand for breast and swear

If I do you bad (Kole, kole)

If I do you bad (Kole)

No pour me water

(Kole, kole)

(Kole, kole)

(Kole, kole)
