

# Fivetweezy

KJ-52

It's Fivetweezy, KJ Fivetweezy,  
It's Fivetweezy

Well, I've been gone but I'm back again  
It's been too long, you wondering where I been  
Well, I betcha I though I would pack it in  
Since I got dissed on MTV for dear slim  
Aw, man why'd y'all play me?  
TRL, you drive me crazy!  
Now everybody really hates me!  
I thought we were friends, Carson Daley?  
So when I tried out for American Idol  
I got up and sang for Simon Cowell  
But he said I was 'absolutely horrible'  
He said I was worse than William Hung, too  
Now what do I do, please help me, could ya?  
I keep getting punk'd like Ashton Kutcher  
Since my name's still bashed and butchered  
But I was just changing, so listen would yah

It's Fivetweezy, KJ Fivetweezy,  
It's Fivetweezy  
That's what my friends just call me  
It's Fivetweezy, KJ Fivetweezy,  
It's Fivetweezy  
That's what my friends just call me

Now I don't know if I'm past my prime  
I'm feeling old, I just turned 29  
It's crazy; I think I lost my mind  
Cause lately it shows I forget my uh:  
Sometimes I feel like my brain is missing  
Sometimes I feel like Jessica Simpson  
Don't know if tuna's fish or chicken  
I told ya it's five two, nobody's listens  
Okay, you don't believe that it's true  
Even my mom still thinks it's fifty-two  
Now I tried to explain but it's no use  
At least the kids say 'man your cool, ha'  
No, really man, I can't complain  
Kids take puff paint and write my name  
On their t-shirts and they be like WAH!!!  
That's why it's time for me to change

It's Fivetweezy, KJ Fivetweezy,  
It's Fivetweezy  
That's what my friends just call me  
It's Fivetweezy, KJ Fivetweezy,  
It's Fivetweezy  
That's what my friends just call me

Now I used to come through my system blasting  
People couldn't miss it when I tried to pass them  
In a Honda civic with the muffler dragging  
Shoes off, hairy feet like Bilbo Baggins  
Back when I was living wrong  
I need to get tipsy like J-Kwon

But know a days all I need is God  
And a mic and a DJ and my I-Pod  
All righty put your dance shoes on  
And everybody just get your groove on  
We'll rock the party till the break of dawn  
And even get your grandma to sing along  
Now what I say, don't take this lightly  
God runs things, not Bruce Almighty  
He's Jesus, the only one I need  
Now Fivetweezy, y'all know what I mean

It's Fivetweezy, KJ Fivetweezy,  
It's Fivetweezy  
That's what my friends just call me  
It's Fivetweezy, KJ Fivetweezy,  
It's Fivetweezy  
That's what my friends just call me

It's Fivetweezy, KJ Fivetweezy,  
It's Fivetweezy  
That's what my friends just call me  
It's Fivetweezy, KJ Fivetweezy,  
It's Fivetweezy  
That's what my friends just call me
