

# We Rock The Mic

KJ-52

SOI  
Beat mot  
Game on it  
Where ya at  
Old school  
I'ma take you way back  
Waaaaay back  
Yo Yo  
As it goes a little something like this

Yo it's the K to the J, J to the five  
five to the two, it's time to get live  
party people in the house if you're feeling all right  
throw your hands in the air wave them side to side  
you can dip dip dive you can socialize  
you can lime to the lemon, you can lemon to the lime  
but nine years ago a friend of mine  
hit me up just to ask the time  
I'm looking at my watch it said quarter to twelve  
he shook his head, he had something to tell  
he said "Check it my brother now it's plain to see  
I'm going to make it plain just as plain can be"  
'cause you her and you there  
but a life without Christ ain't going nowhere  
and I was just like you I was jamming on it  
then he sang a little song a little something like this hit it...

We rock the mic in a different way  
just two turntables and a fresh DJ  
party people in the house are you feeling OK  
then let the record play all night all day

We rock the mic in a different way

Stop a second I need to hear more  
he said "I came through the door and I said it before"  
but you didn't listen to me this first time  
so open your mind and let me open your eyes  
'cause the blind lead the blind can't you see that my brother  
it's like a jungle sometimes it makes me wonder  
you going under and you blind to the facts  
it ain't where you from and it ain't where you at  
it ain't the radio, Cazals or Kangol hat  
now you be illing and it's like that  
your life's wack just broken pieces  
you got Adidas but you ain't got Jesus  
and a hotel, a motel or a holiday inn  
now it don't mean nothing 'cause your life keeps fronting  
and you still lost in sin  
I said a hotel, a motel, or a holiday inn  
now it don't mean nothing 'cause your life keeps fronting  
and you still lost in sin help me say it like...

I aint no joke 'cause your life's broke  
but now I'm glad that we spoke,  
'cause pretty soon you choke  
and everything you see is goin' up in smoke  
so what's your hope you gonna sink or float  
one day you croke and one thing I'll tell  
you goanna rock the bells all the way to hell  
and all the ball is shot  
God is making paper  
all the players you goanna catch babies  
La-de da-de, who likes to party  
you think you the man but you really aint nobody (what?)  
it was the lamb who was led to the slaughter  
rolls beneath me the planet rock like bam-botta  
the one who owns the play just like the car-da  
the one who is the spirit, son and the father  
the one who's eyes last sea and the water  
God's son we welcome back like carter
