

# Calling Occupants Of Interplanetary Craft

Klaatu

In your mind you have abilities you know  
To telepath messages through the vast unknown  
Please close your eyes and concentrate  
With every thought you think  
Upon the recitation we're about to sing

Calling occupants of interplanetary craft  
Calling occupants of interplanetary, most extraordinary craft

Calling occupants of interplanetary craft  
Calling occupants of interplanetary craft  
Calling occupants of interplanetary, most extraordinary craft

You've been observing our earth  
And we'd like to make a contact with you

We are your friends

Calling occupants of interplanetary craft  
Calling occupants and interplanetary ultra-emissaries

We've been observing your earth  
And one night we'll make a contact with you

We are your friends

Calling occupants of interplanetary craft  
Calling occupants of interplanetary, quite extraordinary craft

Please come in peace we beseech you  
Only a landing will teach them  
Our earth may never survive  
So do come we beg you  
Please interstellar policemen  
Won't you give us a sign  
Give us a sign that we've reached you

With your mind you have ability to form  
And transmit thought energy far beyond the norm  
You close your eyes  
You concentrate  
Together that's the way  
To send the message  
We declare World Contact Day

Calling occupants of interplanetary craft  
Calling occupants of interplanetary craft  
Calling occupants of interplanetary, most extraordinary craft

Ahhh

Calling occupants  
Calling occupants  
Calling occupants  
Calling occupants  
Calling occupants of interplanetary, most extraordinary craft
