

The Politzanian National Anthem

Klaatu

Politzania, brave strong and true
Politzania, we all love you
We'll smite our foes for we are right
And God is on our side

Politzania, red, white and green
Politzania, reigning supreme
Victors in war
Champions of peace
Unto eternity

(Everybody now)

La la la la la la la la la la la
La la la la la la la la la la la la la

We're the masters of the world
