

# Rhythm of Life

Klaxons

This is the hour  
This is the hour in real time  
This is the hour to be in the rhythm of life

Here with you by my side  
In this hard vibration  
I contemplate the life  
Here with you by my side  
There's no explanation  
We lead in the rhythm of life

Rhythm of life  
Rhythm of life  
Rhythm of life  
Ohhh

Rhythm of life  
Rhythm of life  
Rhythm of life  
Ohhh

In the beginning I arrive  
When I was just a sparkle in the heaven's eyes  
I saw creation come alive  
Drawing me forward so that I could realize

Everything's here tonight  
This is the sign  
Look for the lullaby

Moves at the speed of light  
After the rise  
Sound sings a lullaby

This is the hour in real time  
This is the hour to be in the rhythm of life

Here with you by my side  
In this hard vibration

Here with you by my side  
There's no explanation  
We lead in the rhythm of life

Rhythm of life  
Rhythm of life  
Rhythm of life  
Ohhh

I travel to the end of time  
To show you something that I thought we'd never find  
For forty days and forty nights  
I saw the nothing that was right before my eyes

Everything's here tonight  
This is the sign  
Look for the lullaby

Moves at the speed of light  
After the rise  
Sound sings a lullaby

This is the hour in real time  
This is the hour to be in the rhythm of life

Here with you by my side  
In this hard vibration  
I contemplate the life  
Here with you by my side  
There's no explanation  
We lead in the rhythm of life

Rhythm of life  
Rhythm of life  
Rhythm of life  
Ohhh
