

Wildeflowers

Klaxons

Lately Down by the Wildeflowers
Complementarity Measures
Echoes are Ready and Waiting

Now the Flowers Prepare for their Cycle
It's Flushing Time at the Estuary
Squint and the Lines are all Smiling

Arms Aloft on the Hilltop
Render Brings About the Dusk
The Winds are Cold and Speaking About
The Wildeflowers

Programmed: The Co-Ordinates
Mirrored Down There in the Dip
Refraction Triggers
Now a Take of Wildeflowers

Lately Shuffling Over the Hillside
The Forbs in the Trees are Stood Waving
The Echoes are Ready and Waiting Now

Arms Aloft on the Hilltop
Render Brings About the Dusk
The Winds are Old and Talking About
The Wildeflowers

Programmed: The Co-Ordinates
Mirrored Way Down in the Dip
Refraction Triggers
Now a Taste of Wildeflowers

Down Where the Trees are Still Standing
Complementarity Measures
Heathers are Grey and a Plenty

Down by the Wildeflowers
The Forbs in the Trees are Dividing
And Keeping the Coincidence a Secret
