On My Own Again

Kleerup

So if you want it
Straight from the core
So if you need it
I'm lettin' it show
I'm missing you so (oh oh)

You said you wanted a change,I know
I could back up but I lost my flow
Everything I couldn't find I lost

I know someone had to go
So I'm on my own, again

So if you mean it
I'm letting you go
I guess I've seen it
A few times before
I'm missing you so. (oh oh)

You said you wanted a change,I know
I could back up but I lost my flow
Everything I couldn't find I lost

I know someone had to go
So I'm on my own, again
