

By Your Side

Kilo

Want to be by your side again
Want to be by your side again
Want to be by your side again
Want to be by your side again
Want to be by your side again
Want to be by your side again
Want to be by your side again
Want to be by your side again
Want to be by your side again (Call you)
Want to be by your side again (Call you)
Want to be by your side again (Call you)
Want to be by your side again (Call you)

Call you, call you, call you, call you
Call you, call you, call you, call you
Call you, call you, call you, call you
Call you, call you, call you, call you

Want to be by your side again
Want to be by your side again
Want to be by your side again
Want to be by your side again
By your side

Call you, call you, call you, call you
By your side

Call you, call you, call you, call you
Want to be by your side again (Call you)
Want to be by your side again (Call you)
Want to be by your side again (Call you)
Want to be by your side again (Call you)
Want to be by your side again (Call you)
Want to be by your side again (Call you)
Want to be by your side again (Call you)

Want to be by your side again (Call you, call you, call you, call you)
Want to be by your side again (Call you, call you, call you, call you)
Want to be by your side again (Call you, call you, call you, call you)
Want to be by your side again (Call you, call you, call you, call you)
Want to be by your side again (Call you, call you, call you, call you)
Want to be by your side again (Call you, call you, call you, call you)
By your side

Call you, call you, call you, call you
Call you, call you, call you, call you
Call you, call you, call you, call you
Call you, call you, call you, call you

Want to be, want to be
Please, please tell me

By your side, by your side, by your side, by your side
By your side, by your side, by your side, by your side
By your side, by your side, by your side, by your side
By your side, by your side, by your side, by your side
By your side, by your side, by your side, by your side

By your side, by your side, by your side, by your side
By your side, by your side, by your side, by your side
