

My Gemini

Kllo

In the night
Feel it go
Catch a ride
Take it slow
When we arrive
I wanna know
Why couldn't I?
My Gemini
Get behind it
Inside
I fantasize
How you and I

In the night
Feel it go
Catch a ride
Take it slow
We arrive
I wanna know
Why couldn't I?
My Gemini
Get behind it
It aside
I fantasize
How you and I
Could leave behind
My Gemini
How we describe
Why couldn't I?
My Gemini
