

Sexy

Klymaxx

My friends keep telling me that I'm the one
I'm just so full of fun
The magic in my walk just turns them on
I don't know the reason why they love me,
I'm so sexy
And when I do my hair, I make it good to the comb
I guess I'm just too sexy for them

Sexy, that what they call me, 'cause I'm too sexy
Yeah, uh, whoa, whoa whoa.
Sexy, that what they call me, 'cause I'm too sexy,
Yeah, uh, whoa, whoa

When I pose in the clothes that I wear
You know they lose control ('Cause honey I'm bold)
Half suppress smiles from the guys as they sneak
A peak across the room

I don't know the reason why you love me
I'm so sleazy
So what's a girl to do when the public says it's
All about me
I guess I'm just too sexy baby

Sexy, that what they call me, 'cause I'm too sexy
Yeah, uh, whoa, whoa whoa.
Sexy, that what they call me, 'cause I'm too sexy,
Yeah, uh, whoa, whoa

Sexy, that what they call me, 'cause I'm too sexy
Yeah, uh, whoa, whoa whoa.
Sexy, that what they call me, 'cause I'm too sexy,
Yeah, uh, whoa, whoa

Sexy baby sexy, you know I just got to be sexy
'Cause all over the world that we live
Everybody wants a little sexy thing
I like a thing, you like a thing,
But everybody likes a little sexy thing
I just want to be what you want me to be

Oh, yes I can take a little pain
I'm not your typical American girl
(I'm not your typical girl)
I'm gonna take this sex appeal
And reveal it to the sex starve world
I know they are just hungry for me

Sexy

Girls tell me what's it all about
Is it the way I walk? Yeah
Is it the way I talk? Yeah
Is it the way I lean in my Klymaxx limousine?
Do I have a basic attitude? No
Is it the way I move? Yeah
