

[?] Ha ha ha ha ha  
Isn't this great  
Said go with the beat in the place to be  
Me have one with the beat  
Me are live the life  
Say life is acting  
Everybody want to live  
So if you want to live life well make it  
You gonna roll you gonna hit it  
You gonna do everything everything  
You gonna climb  
You want everything but no that ain't life  
Life is what me I want do right here hey  
I do it this way and I rhyme off in stylin'  
Say bow, talla talla bow  
We are scared? Let's go  
In a groove we stylin' is a rock about freestylin'  
But we are groove you anyhow you want  
That is a feeling is a feeling my need man  
Wake up you got to wake up and do somethin' man  
Know whats going on say  
Ha ha ha ha say  
These going down to Dillinger my man Dillinger in New York  
My man China Eric my man Eric Browns my man Mai Mao  
My man come on ya'll this is coming all the way from this city  
But we gonna groove it see  
Get with it man its so true  
Its white its black its green its yellow its colors  
Its everything you want say wooo that murder style  
I got these feelings too strong and you know that  
We have said get with it don't just bluff it  
You know it playing it too cool will get you to nowhere  
It will get you to [?]

You gotta lose your mind in the ganja rock

Sing its strong isn't it but don't worry we're gonna get it right  
Sing spiritual to in a murder stylin'  
One time on a walk down the street I see a girl  
Me call this girl I say yo walk it on  
The girl say yo man you better look for something  
and do something man  
I said no man me I want go and be the life girl  
I want see what the life is about  
And all them things in life because I know its going on  
And I can see that and you know you can see that too girl  
So no need to front its definitely soul  
Its nothing you writing down and living the expensive life  
Life is everything you want if love is what you want cool
