KNEECAP

Éist liom, ná tar chugam le do chuid smaointí
Ná déan anailís ar mo chuid líntí
My child loves HOOD, so I wish you could do a version for him b
ut PG
Send me it when you can, he's your number one fan
His first words were Cultúrlann, so he understands all of 3CAG
and
He's only started Naíscoil an mhí seo, he just thinks you guys
are lethal
I know he's a wee bit young, try to keep it from him, déanaimse
mo dhícheall
Comhghairdeas, you're my new ghost writer, 40 odd, breath smell
s like cider
Trying to talk business to me with jizz on your teeth, back of
the glider!

KNEECAP, is breá liom sibh, nach bhfuil aon seans go dtiocfadh
libh
Stick a wee tune out just for the kids cos my two ones they lov
e you to bits
Oh fuck sake, wise up, miss, we're degenerate HOODs who like to
get pissed
And we spunk every penny getting off of our tits, this isn't no
act, it's just the way it is
Real shit

You'll find me in a snug of a dimly lit shit run down pub
Face all smug in a place I love, seeing how fucked I can get on
government funds
That's another pint done, ordaigh deoch sula labhrann cunt liom
And up walks some random standing over me rapping one of my son
gs

Maith an fear, seo here, is breá liom do cheol, nach dtiocfadh
leat díriú isteach ar an ól
An chaint seo ar fad ar na drugaí are bad, is tá mé a rá leat n
í mharfaidh tú I bhfad
Aw here go raibh maith agat do do chomhairle críonna
Cá raibh tusa nuair a thosaigh muid na blianta ó shin
No, fuck, get a right to the chin, and now you're crying on Twi
tter and that's a win-win
On the Nolan Show today, a mural of a burning police car and ch
ants of 'get the brits out'
This is- Ireland 2022
Rappers Kneecap say the mural was unveiled as just a piece of F

C-E-A-R-T-A, you say it needs more Tiocfaidh ár Lá's
Ag dul ar aghaidh faoi go bhfuil easpa collabs ag Kneecap, fuck
in cuirigí ceol amach!
So you're wondering why we take ages to release music? We're al
ways on stages
All over in different places, rockin' balaclavas on our faces

You can love us or hate us, won't affect a bit of our wages
More merch, more drugs, less cops, more thugs, more scum, liste
n out on cases
You can love us or hate us, won't affect a bit of our wages
More merch, more drugs, less cops, more thugs, more scum, more
