

Guilty Conscience

KNEECAP

Dúbh dóite
Inár suí insan teach
Gan pingin rua againn le fiú dhul amach
Tá mé tinn tuirseach de bheith beo bocht
Ach tá sin ar fad ag dhul le athrú anocht
Mar tá mise 'is Mo Chara ag cur le chéile pleananna
'Is fuair muid ise ó doirteán, bham, bham, bham
Is roimh I bhfad beidh muid báite insan airgead
Tuilte go maith gan dabht young renegade

Ag rith thart, tryna grab what we can
Ó amharc, Mo Chara, sin security van
"Now look man, don't wanna do you no harm
Just éist leis an scéal and I'm sure it'll be grand
'Cause my friend Mo Chara, he's a bit of a psycho
The type of fella loses the head at a typo
So whatever you do, do whatever he says
So éist Mo Chara, abair leis an craic if he says no

Móglai get the noose, I'll proper introduce myself
I'm Mo Chara, and I'm not well, are yis ready for abuse?
Ach ar dtús I'm sure you're thinking, Aw look
That I seem decent and clever, don't I feel bad for this ever?

Guilty conscience, no thanks
I meditate and have plenty of wanks
And I never spare a second thought for cunts in suits
And when the revolution comes, I'm first out to loot
Yeah

New guds (new guds), happy days (happy days)
So much comfort when you don't have to pay
And when I'm happily tripped in designer gear
Then all of you cunts are getting one behind the ear
Yeah

Go raibh maith agat Móglai , ar aghaidh linn in the stoley
Oíche Shathairn, 'mon go haifreann
The collection box owes me
Agus tá sé te teolai
'Is lán le pensioners homie
Tiocfaidh linn tús a cur le gaelgigolos arís if you're lonely
Money's no more stress, buíochas le G4S
Tá ár bhfiaccla ar fad íoctha, now it's time to invest, huh?
Nah, I'm giving half to me ma
Some blood money for my honeys
And the rest to the 'ra

I meditate and have plenty of wanks
And I never spare a second thought for cunts in suits
And when the revolution comes, I'm straight out to loot
Yeah

New goods (new goods), happy days (happy days)
So much comfort when you don't have to pay
And when I'm happily tripped in designer gear
Then all of you cunts are getting one behind the ear
Yeah
