

(Gaeilge labhartha Bhéal Feirste. Modúl a haon: "Incognito")

'Gul síos ar an snaois, you're sniffing the coke  
Tá tú ag iarraidh cúpla smailc, you're looking a wee smoke  
Trí chonsan agus guta, that's Molly or MD  
"An bhfuil cead agam eochair? ", if you fancy a key  
And if you can't grasp that, say Micí Dainín  
Or if he's mad for the coke, then he's a 'snaoisín'  
If you don't have a 'dom, then you have no coiscín  
Kneecap, gan stop, anois a bhuachaillí

You say "Foc me!" when you see na Gardaí  
'Nother one for the cops is "Fuck the RUC!"  
As well as that we have na fir buí  
Just connigh súil amach do na bastardí  
So más maith leat an phit, you like a bit of gee  
Nó más fearr leat an bod, you like getting the D  
Más maith leat green dul síos go teach Aoidh  
Seo an 3CAG crew le focain ceacht inniu

Céim a haon to being incognito:  
Las an dúid agus just foghlaim an lingo  
Céim a dó for avoidin' the law:  
Caith do focain bally gach aon lá  
Is céim a trí, seo an ceann is tábhachtaí  
Just ná focain éist le RTÉ  
Ná focain éist le RTÉ  
Just ná focain éist le RTÉ

Tá na leaids ar fad clocháilte, we're stoned to the bone  
Tá tú ag iarraidh a bheith focáilte, cur snaois I do shrón  
'Fear glic' is a housebreaker up in Malone  
Ag goideadh airgid ó rich cunts and taking it home  
'Gan airgead' is skint, mar a bhíonn de ghnáth  
You can't pay for drugs so you get tic gach lá  
'Pionós pointí' is penalty points  
The Stinging Roger is the drioblaín at the end of your joints  
An phit is a gee, minge, fanny or a flirt  
If you're fucked from last night, tá tinneas póit ort  
What you need is a wee bit of faoiseamh béil  
But steal her cac and cuir é suas I Shankill Buy and Sell

Incognito, just follow na rialacha  
Cur do dope I bhfolach 'is hide your paraphernalia  
A brathadóir is a Tout, but sure they're always afraid of ya  
And if you're fucking grannied then look at the fucking state of ya

When you see your mate, you say "'Dé an fucking craic?"

Nó "Cad é mar atá" if you wanna be polite  
You say "Maith go leor!" if you think he's alright  
Or if he's lán de cac that means he's full of shite  
A dúid mór ramhar is a busty joint  
And you always speak the lingo at a Garda checkpoint  
Ach rud amhain eile sula ndéanaimid dearmad  
You say "Na Sé Chontae" for the North of Ireland  
(Uppa ra)

Kneecap, trí chonsan agus guta crew  
Ag múineadh achan duine óg atá I gCúige Uladh  
Tá muid beagnach críochnaithe don lá inniú  
Ach incognito will be continued  
But one more time roimh deireadh an rang  
Abair ós ard don fuckin' 3CAG gang  
If you want to be incognito like me  
Tóg' bhur bpeann is páipéar agus scríobhaigí
