KNEECAP

Tinn, bréan tinn na undercover cops again
Tinn, bréan tinn na undercover cops again
Tinn, bréan tinn na undercover cops again

'G 'ul tríd mo phócaí agus stocaí mar a rin' siad cheanna féin
"Bain díot do chaipín agus tóg as do chain
Let me see your ID and empty out your change
An bhfuil aon rud mídhleathach ort? I won't say it again
Má fhaighimid rud éigin, there's things that you'll have to explain."

"Tá aithne súil agam ort, cé ' dúirt bhfuil muid roimhe
Bhí tusa sa pháirc, sé déag, ag díolú malaí luibheanna
In fact domh d'ainm anois, agus d'uimhir
Scumbags like you make my balls shiver"

You can call me 'Mo Chara', a local celeb I gConamara
"I haven't been a scumbag in years Mr Garda
I just wanna have a few beer Mr Garda
And I swear I haven't got any gear Mr Garda"
Isteach liom, amadán, tá mo fobhríste lán
Do pills, half-grams, dodgy-looking snaois bhán
Fuckin' ar bis man, fuck the police man
Mo chara's shoving gear díreach os do ghaosán

Siúil isteach, 3CAG I mo cach
Mála raithní, buidéal Bucks
Skin mór ramhar, just relax
Seo mar atá sé, just the facts
Daoine óga le contacts, twenny inches when erect
Yes, we want our country back, ach fuckin coinnigh Paddy Jack
Yes tá allas ar mo bhos, 's ní bhíomsa I mo thost
'S ní ghlacaim fuckin' sos, always kickin' up a fuss
Ag na féiltí is a must, Nike Air Max agus Berghaus
Seven carat chain Argos, agus upper-cuttin' guffs

'Nois, 'chóir a bheith istigh de na geataí, ach amhain some cunts acting na
crá chroí
Asking for my ID and if I wanna be locked up in Maghaberry
S' dúirt mé "nah, tá mé maith go leor"
Scian sa bholg and he hit the floor
Agus ceann amhain eile agus cinnte deor
Ansin go leor, do you want some more?
'Nois díreach in aice liom, tá an madadh ag tafann
"This is the part where you stop laughing"
Scian isteach le giota beag tafainn
No more madadh, no more sniffin' (sniffin', sniffin', sniffin')

Níos mó daoine óga ag cuir gear ina mbróga
"Bhfuil stuff agat? Tá leoga"
Get wined out and do some yoga
Ar dtús faigh partner a phógfá, tá mise ag fáil ró thógtha
Could lend a score from m'athair cróga
But I'll leave him with it for a joint in Avoca

Kneecap
Seo mar a bhíonn muid I gcomparáid
Kneecap
Always heard screaming "up the ra"
Kneecap
Known to be head over heels I ngrá
Le drugaí linguistics agus mo ma
Seo thug logistics, seo mar atá
Double-dipping biscuits I mo chupán
Sin ag ithe picnic ag suí faoi crann
Whilst getting frisky le Cumann na mBan
