When I first saw you between the glowing neon light
Your glamour pulled me in
Your dazzling laugh tickled me
Your sweet eyes, I want you

I'm looking at you without regrets
Looking for you in the darkness
Gotta get that turn it up
Keep pushing
Keep telling me

I can't do this bind
Baby I can't take you higher
Raise the volume, with the rhythm
Lower your eyes, now stop
What can I say yeah, kiss me

Yeah I know this feeling
When it rains and your hair gets wet, please all day
The vibe from your waist line
You're the type that gets ready for everything
Wait, wait, hold on
You know it's all for me
Smile for me, I don't care if I break down
Together, sunset 4 y'all

I like it how it is now
Just till the sun sets
That slight tremble

Brings that provocative movement, I want you

I'm looking at you without regrets
Looking for you in the darkness
Gotta get that turn it up
Keep pushing
Keep telling me

I can't do this bind
Baby I can't take you higher
Raise the volume, with the rhythm
Lower your eyes, now stop
What can I say yeah, kiss me
