

KURUIBI

Knosis

Take my eyes out, burn my tongue
Sacrifice to the ones above
Shred my skin and drain my blood
Glorify the ones below

I forgot how to breathe
Like drowning from the inside

I was born to lose so I'm not afraid to die
Have you ever wondered what it's like to disappear?
May chaos take the world
May chaos take us all

Sweet and tender
I'm tasting feelings, feel-

Take my eyes out, burn my tongue
Sacrifice to the ones above
Shred my skin and drain my blood
Glorify the ones below

Divide me to pieces
Devour me in pieces
May chaos take the world
So chaos is the world

Sweet and tender
I'm tasting these feelings
Sweet and tender
I'm tasting these feelings

Shred my skin and-
May chaos take the world
Salvation! Destruction!
Salvation! Destruction!
