

Beach Boy

Knox Hamilton

Standing here all alone
What was it that I did wrong?
We planned this all along
How can it be so?
I had only all night to live
Said nothing else left to give
Can't we make it through this bridge?
I can't give up

And it's come down to taking separate cars
Not even ending up at the same bar
And I know you have got your broken heart
But what am I to do, accept your fall?

Beach Boy, don't wanna know
Said you loved him but he cried when you let him go
Beach Boy, don't wanna fight
Said you loved him but you let him wander through the night

Found what you left of here
Ran away in fits and tears
Guess you expect me to cheer
I won't do such a thing

You have only yourself to blame
And I know that you feel the same
But you find it kind of strange
I can't give up

And it's come down to taking separate cars
Not even ending up at the same bar
And I know you have got your broken heart
But what am I to do, accept your fall?

Beach Boy, don't wanna know
Said you loved him but he cried when you let him go
Beach Boy, don't wanna fight
Said you loved him but you let him wander through the night

Said goodbye to loving but now you wanna think about it
Said goodbye to loving and I heard you dream about him

Said goodbye to loving but now you wanna think about it
Said goodbye to loving and I heard you dream about him

And it's come down to taking separate cars
Not even ending up at the same bar
And I know you have got your broken heart
But what am I to do, accept your fall?

Beach Boy, don't wanna know
Said you loved him but he cried when you let him go
Beach Boy, don't wanna fight
Said you loved him but you let him wander through the night
