

Rightfully So

Knox Hamilton

You told me to go, I asked you to stay
And I gotta get up, I gotta get up, I got to get up, I got to get
I asked you to stay, you begged me to change
And I gotta get up, I gotta get up, I gotta get up, I gotta get

On the right foot now, I don't just keep the pictures you're smiling
in
(Smiling in, smiling in)

And rightfully so (I've been trying to find you)
I don't want to say goodbye out loud
Doesn't matter where you're going
Where you're going, oh oh oh
And rightfully so (No one else will do)
Love isn't meant to be alone
Doesn't matter where you're going
Where you're going, I'll go (I'll go)

We drove all night I started that fight
And I gotta get up, I gotta get up, I gotta get up, I gotta get
I'll follow behind if you're leaving this time
And I gotta get up, I gotta get up, I gotta get up, I gotta get

On the right foot now, I don't just keep the pictures you're smiling
in
(Smiling in, smiling in)

Where do, where do you, where do you go my dear, when you take trips
out there, when you take trips out there
Where do, where do you, where do you go my dear when you take trips o
ut here, who else is out here

And rightfully so
I don't want to say goodbye out loud
Doesn't matter where you're going
Where you're going, oh oh oh
And rightfully so
Love isn't meant to be alone
Doesn't matter where you're going
Where you're going, I'll go (I'll go)

And rightfully so (I've been trying to find you)
I don't want to say goodbye out loud
Doesn't matter where you're going
Where you're going, oh oh oh
And rightfully so (No one else will do)
Love isn't meant to be alone
Doesn't matter where you're going
Where you're going, I'll go (I'll go)
