

# Sledgehammer Dance

Knox

Don't you try to stop me  
Goin' full kamikaze  
While the war's takin' place in your neighborhood  
Don't you try to stop me  
I'm prone to catch a body  
Gotta fistful of razor blades and I'm good

Man, I'm so fuckin' sick of this sledgehammer dance  
Won't you pull up on your pants  
Take a piss on the camera  
Black gloves and an all-black mask  
Here to storm the gates of the new brain scrambler  
Back up, back up, I'm comin' to fuck a track up  
We profit off of death like prisons and big tobacco  
They don't like it when we act up, we come around rip your tracker  
Generation ugly, they love you when you attractive  
So, take that camera stare at your fuckin' face  
You live inside of the matrix and you're okay  
The symbiosis of the governors and governed  
Now the whole damn world's undercover mother-fucker

Don't you try to stop me  
Goin' full kamikaze  
While the war's takin' place in your neighborhood  
Don't you try to stop me  
I'm prone to catch a body  
Gotta fistful of razor blades and I'm good

Man, I'm so fuckin' sick of this sledgehammer dance  
Won't you pull up on your pants  
Take a piss on the camera  
Black gloves and an all-black mask  
Here to storm the gates of the new brain scrambler

Printed out, passed on, targeted, they made the sense  
You're a part of the machine, you don't know what to rage against  
Starin' out, paranoid, feelin' like an alien  
Not allowed to think the thoughts you're not allowed to speak  
And now you're not allowed to take offense  
Crowded at the main event  
Proxy wars on power lines, the war is waged in cyber space  
To gauge what your engagement is  
I don't know about you but I'm feelin' like a fuckin' patriot  
(Are you seein' this crazy shit?)

Don't you try to stop me  
I said don't you try to stop me  
Nah, don't you try to stop me

Don't you try to stop me  
I'm goin' full kamikaze  
God died and came back as a zombie  
Don't you try to stop me  
I'm goin' full kamikaze  
Gotta fistful of razor blades and I'm good

Man, I'm so fuckin' sick of this sledgehammer dance

Won't you pull up on your pants, take a piss on the camera  
Black gloves and an all-black mask  
Here to storm the gates of the new brain scrambler

Don't you try to stop me  
Goin' full kamikaze  
While the war's takin' place in your neighborhood  
Don't you try to stop me  
I'm prone to catch a body  
Gotta fistful of razor blades and I'm good
