

Nervous Passenger

Knuckle Puck

Take me anywhere.
I am a nervous passenger.
I'll make it back if I can.
I won't make you wait forever.

I swear I'll meet you.
When the violets in the spring bloom
I'm not the blood in my veins
I'm not the blood in my veins.

So take me anywhere.
I am a nervous passenger.
I'll make it back if I can.
I won't make you wait forever.

If we're born to pawns, crooks and thieves.
What more are we meant to be?
Is it too late to save me.
Or am I already a distant memory?
