

## Nervous Passenger

Knuckle Puck

Take me anywhere.  
I am a nervous passenger.  
I'll make it back if I can.  
I won't make you wait forever.

I swear I'll meet you.  
When the violets in the spring bloom  
I'm not the blood in my veins  
I'm not the blood in my veins.

So take me anywhere.  
I am a nervous passenger.  
I'll make it back if I can.  
I won't make you wait forever.

If we're born to pawners, crooks and thieves.  
What more are we meant to be?  
Is it too late to save me.  
Or am I already a distant memory?
