Knuckle Puck

I'll call in every favor from Seattle to the Atlantic  
If it takes me that long  
And yet you underline every fundamental flaw  
You're far too basic  
Better than nothing at all  
Forget whatever you seen on the TV  
It doesn't matter what you think about me

So you can keep  
Your RSVP  
From 12 feet deep  
Down the hole you're in

And if you're listening just for clarity  
Those idealistic dreams were never so naive

Complicated, mind sedated  
(Keep your hands over your ears)  
Hearts turn vacant, humble patriot  
(Cover up, cover up)

So you can keep  
Your RSVP  
From 12 feet deep  
Down the hole you're in

If I'm telling the truth  
I won't miss you, I won't miss you  
If I'm telling the truth  
I won't miss you, I won't miss you

If I'm telling the truth  
I won't miss you, I won't miss you  
If I'm telling the truth  
I won't be missing you

So you can keep  
Your RSVP  
From 12 feet deep  
Down the hole you're in

So you can keep  
Your RSVP  
From 12 feet deep  
Down the hole you're in
