

Behind These Eyes

Knuckledust

All I want to do is live my life true, past the pain you
Put me through. All around me all I see is suffering, I
Want to live life for me. Surrounded by depravity, in the
Face of adversity, I try to struggle on, my life's almost
Gone, I'm seeking clarity.

No one knows what's behind these eyes, I'm a man alone
I've turned the tide.

You expect me to trust when everyone I see is a threat to
Me?

You expect me to trust when everyone I see is an enemy?

I've tried so hard to do the best I can, to become a
Better man but all around me all I see is apathy. It's
Not how I thought it would be. I don't care anymore. Been
Hurt too many times before but I'll struggle on, my
Life's almost gone, my lifeline ripped and torn.

Fuck it all I live my life for me.
