

Can't Decide

Knucks

I spent a while trying to uber some food but I can't decide
True, I was gonna make use of my wingstop card but I can't, it's
fried
Linking my old street ting, she the realest your side or mine
Shortie said you have to come central to see this, I replied al
right
I did wanna kick it with Doja but she online with a different p
ersona
My ex still wanna follow my ding but the thing is I don't reall
y listen to Soca
Brand new Q8 in the lobby, the state of the body just gives adi
ola
I decided with a Q5 it's vibe now I'm thinking it over

Shortie wanna put on a film for the Netflix and chill but we ca
n't decide
Said I wanna genuinely feel the connection is real but I can't
it's lies
Tryna think should just kick back or step out with trapo, I can
't decide
So if you see me outside with g's don't ask me why
See me out oustide with the guys, and we brought both with us,
we can't decide
Get the valet to park the ride, the whole gangs getting in they
can't deny, they can't deny
In the VIP and they all saying pick me but you know I can't dec
ide
So if I leave with them all, don't ask me why

Can't decide if we go there today or tomorrow
Either way something getting got if we do
Nine M or the G lock, can't decide and I'm getting confused
With Chanel in hermes, she wanna go CC too
Trap boy and the company owner, I gotta get CC'D too
In the dance with a slim and thick one, I'm in a indecisive moo
d
Slide and shoot, pitch all muddy now I gotta whip my boots
They got us and we got them more, something that they can't den
y
With Knucks trying to pick which one, can't decide

Shortie wanna put on a film for the Netflix and chill but we ca
n't decide
Said I wanna genuinely feel the connection is real but I can't
it's lies
Tryna think should just kick back or step out with trapo, I can
't decide
So if you see me outside with g's don't ask me why

See me out outside with the guys, and we brought both with us,
we can't decide
Get the valet to park the ride, the whole gangs getting in they
can't deny, they can't deny
In the VIP and they all saying pick me but you know I can't decide
So if I leave with them all, don't ask me why
